

EP. 136 MOD PIZZA CEO SCOTT SVENSON WITH HOST DON YAEGER

(5:55) Here is the objective of the game. Do not take it for granted that everyone knows what you are trying to _____. Who is on our team? What role does everyone have on the team?

(8:40) Failing is a consequence of _____ and we accept failing as part of getting better, but we are totally intolerant of failure. Failure means giving up. Failing means trying to improve. The reason you go out and practice is because you are not going to be perfect initially.

(12:00) *Reflection Question: Where do you find your gratification, satisfaction, and joy? "It is not always on the big stage." - Scott Svenson*

(21:25) It is not always healthy to rely on your past as the way you _____. What is most important is what you do next.
