

EP. 149 INFOSYS CONSULTING CEO ANDREW DUNCAN WITH HOST DON YAEGER

(14:35) Teams have a knowledge of each other and I am not talking about just the role, but they tend to know each other to a level _____.

(15:25) Don't be afraid to _____, and then learn whether you can trust them more or less. And then based on that level of trust delegate, because as a boss, you can't do it all.

Reflection Question: How do you approach delegation as a leader?

(20:10) If you're not humble, you're not listening, for the most part, bring humility to the table, you will listen, you'll be more _____, you will be more adaptive, you will be more flexible. You'll learn more.

(24:25) The lack of _____ is revealed in the "I did this" and "I did that." People who are more reflective about what happened all the way, I would suspect a better reflection of increased _____ than others.

Reflection Question: Can you think of a time where listening to others has led to a better outcome for a project or situation? How did this experience change your approach to listening in the future?
