

## EP. 151 NAVY FEDERAL'S KEITH HOSKINS WITH HOST DON YAEGER

- (7:00) It is so important to get that \_\_\_\_\_ and to build up that trust and confidence as a team.
- (14:40) It is important for individuals to think about \_\_\_\_\_ and what you bring to the team. Your performance, everything you do, is critical to the overall team's success.
- (16:55) What does Keith's A-C-C-E leadership model stand for? How can you use each one?
- A** \_\_\_\_\_
- C** \_\_\_\_\_
- C** \_\_\_\_\_
- E** \_\_\_\_\_
- (32:10) My message to everyone is first: You own your destiny. Number two: Don't let anyone put you in a \_\_\_\_\_ to say that you have the propensity to result in XYZ based on some analysis.

*Reflection Question: A leader's job is to harvest as many points of view as possible to provide the deepest and broadest understanding of a problem or situation before narrowing in on a course of action. Name somebody you know who models this ability well.*

**Answers:**

muscle memory

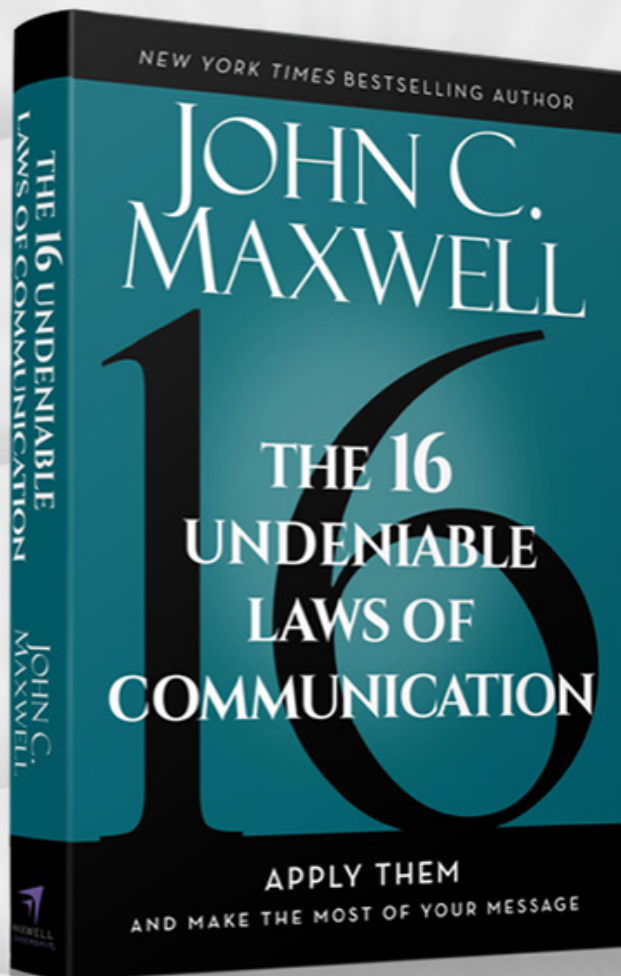

interdependencies

accountability, compartmentalization, collaboration, empowerment
