

## ENTERTAINMENT MOGUL SCOOTER BRAUN

WITH HOST DON YAEGER

(6:15) There is a \_\_\_\_\_ in yourself when you are able to (fight through adversity).

(9:15) It reminded me of what sports taught me: Put one foot after the other, \_\_\_\_\_.

(11:25) You have to love the \_\_\_\_\_ just the same. The bad moments have taught me just as much, if not more, as the good moments.

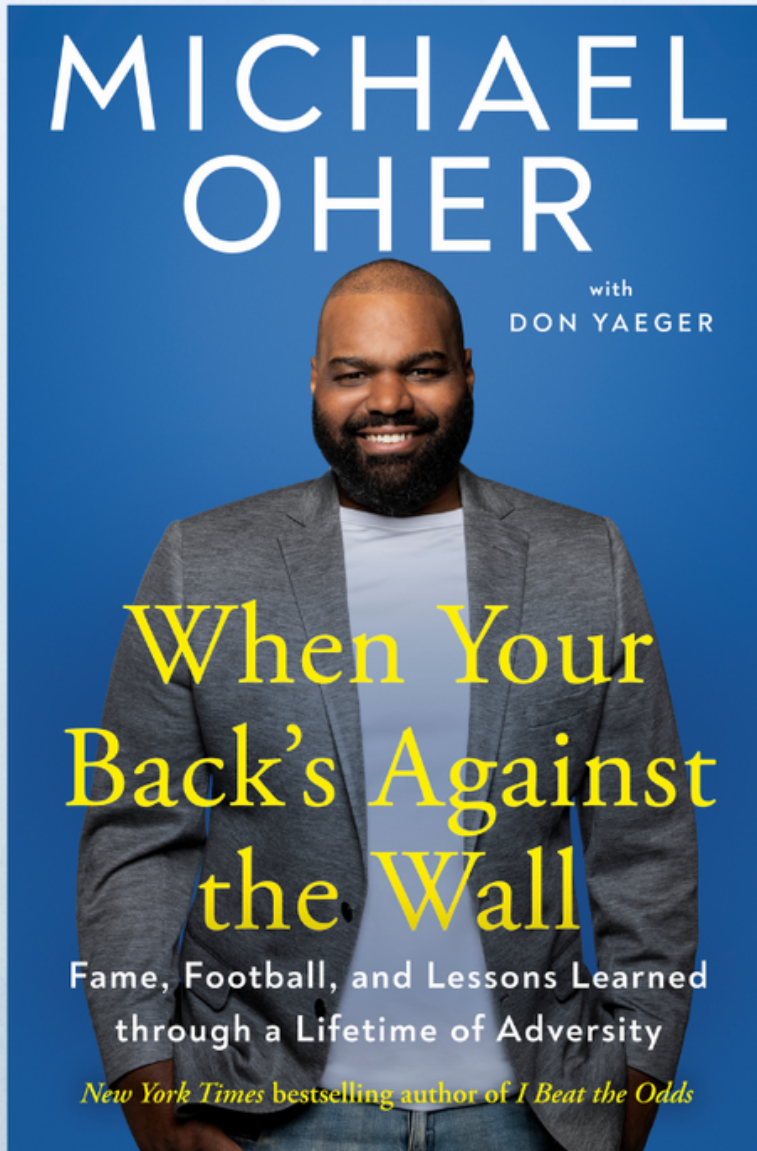

*Reflection Questions: How did you handle a situation where you had to choose between what's right and what's easy? What values and principles guide your decisions as a leader, especially when faced with tough choices?*

(25:05) There is no such thing as \_\_\_\_\_, only pitstops on the way to success.

**Answers:**

joy  
just keep going
