

CEO COACHING INTERNATIONAL FOUNDER

MARK MOSES WITH HOST DON YAEGER

Don's favorite quotes from the episode:

- Success is built, step by step, with relentless focus.
- A leader's job isn't just to set goals—it's to elevate the vision of the entire team.
- Business success starts with clarity. What do you really want? What can get in the way?

Reflection Questions: Are you setting clear, strategic milestones for your goals? Instead of focusing solely on the big picture, are you breaking down objectives into smaller, achievable steps?

What's your version of a "12-hour Ironman"? Are you defining the ultimate goal, and then reverse-engineering the process to ensure success?
