

MOMENTUM SPECIAL EDITION

WITH HOST DON YAEGER & BERNARD BANKS

Don's favorite quotes from this episode:

- We started to engage in a series of activities that created small wins and those small victories enhanced our belief in our ability to prevail.
- For any situation, consider every angle. You should be running scenarios in advance, so that, you know, if this transpires, here's how we'll respond.
- Momentum isn't self-sustaining. It requires fueling. It's a leader's job to reignite momentum when it begins to fade.

Reflection Questions:

Do you have a clear picture of what momentum looks like in your organization—and how you track it?

How might your leadership style or company culture be fueling or stalling momentum right now?
