

FLEXJET CEO MIKE SILVESTRO

WITH HOST DON YAEGER

Don's favorite quotes from this episode:

- If you ask, 'Was that a great day?'—and the answer is yes—make it a point to share that feeling with your entire organization so everyone can experience it and feel proud.
- We're constantly sharing our thoughts with colleagues. I think that's unusual, because many leaders fall into the trap of believing they need to have all the answers every single day.

Reflection Questions:

What would happen if your employees lived like your customers for 36 hours? How can you create an experience similar to the one Mike described?

What is your current method of "sharing wins" with your team? How could you improve?
