

NVIDIA EXECUTIVE ANTHONY ROBBINS

WITH HOST DON YAEGER

DonYaeger

Don's favorite quotes from this episode:

- In sales, you can lose a deal and still win the customer.
- The mission should be the boss—not the org chart.
- Most of the mentors who changed my life showed up as friends first.
- Jensen Huang obsessed over every detail because every detail represented the brand.
- At NVIDIA, we weren't building the next anything—we were building the first NVIDIA.

Reflection Questions:

What's one way you can create more space for informal, friendship-based mentorship inside your organization?

How does your company communicate its mission—and does that mission actually shape day-to-day behavior?

Do you reward curiosity and vulnerability as much as performance? Why or why not?

Bring Don's inspiration and tools for culture transformation to your team!
