Don's favorite quotes from this episode:

- You can make more money, but you can't make more time. So how are you using your 168 hours this week?
- People can't help you if they don't know what you want. And you can't tell them until you know yourself.
- Momentum makes the pain go away—in sports, in business, and in life.
- Sports teams are run better than most businesses. They practice more than they play—and they never play without a playbook.

Reflection Questions:

What does “success” look like for you right now? Write it out in detail.

What's your version of a “bucket list”—and who will you share it with?
